A little bit about Finnigan...

Finnigan is a lovely lad who came to the centre as an unclaimed stray. He is such a friendly and confident boy who will make the most wonderful family pet. Finnigan loves playing with his toys and will even play fetch with you, he loves attention and will always come running when he hears you approaching his cubicle. He loves a brush and his new family will need to continue with his grooming on a daily basis to keep his coat nice and shiny and knot free. He would love a family where he is not left on his own for long periods as he simply just loves being around his people. It is unknown if he can share his home with another cat and can live with children aged 6 years and over.

My personality...

Unknown if i can share my house with another cat

I'll probably spend more time inside

I could live with children of primary school age

I love company and would like you to be around a good part of the day
