A little bit about DJ...

DJ is a very sweet girl who came to the centre via an inspector, she was removed from a multi cat household where her needs were not getting met. She was quite shy when she first came into RSPCA care due to the lack of socialisation when she was very young. With lots of patience and TLC she has flourished in to the most loving girl who is always up for a pamper session. DJ has a lovely soft and fluffy coat so adopters will need to ensure that she gets groomed on a regular basis in order to keep her coat soft and mat free. She now enjoys a brush and looks forward to groom time, she will come running as soon as she sees you.. DJ could possibly live with another cat, she is suitable to live with children aged 8 years and over and would be a suitable permanent house cat.

My personality...

I may be able to live with another cat

I'll probably spend more time inside

I could live with children of secondary school age

I love company and would like you to be around a good part of the day
