A little bit about Oliver...

Oliver is a lovely lad who came to the centre via an inspector after his needs were not getting met. Poor Oliver was extremely scared when he first arrived into RSPCA care. It has taken a lot of time, patience and TLC to help Oliver overcome his insecurities and learn to trust people. Instead of hiding himself away behind his bed, he now lies at the front of his cubicle calling out for some attention. He can still be a bit on the shy side in new situations so any potential adopter will need to have a spare room they can dedicate to Oliver while he adjusts to his new family and home. Oliver is such a gentle cat who has overcome so much trauma in his short little life and he is now ready to complete his journey and find himself a family who will love and cherish him. He has turned from a terrified little boy into a friendly and loving cat ready for his happy ever after. Oliver could possibly live with another cat, children aged 12 years and over and would need to be a permanent house cat.
