A little bit about Blade & Mischief...

Here we have two very special cats, say hello to Blade & Mischief. They are absolutely wonderful cats who have been waiting patiently for such a long time due to ongoing legal proceedings, but we can now finally introduce to you all Blade & Mischief. These two cats really do have hearts of gold, they are gentle, kind and extremely affectionate cats who will make the most fantastic family pets. If you are ever having a bad day you can just sit with these two and all your worries can instantly disappear. They both love a brush but especially Mischief who has the most wonderful, soft and shiny coat which will require regular grooming. Mischief and Blade are very much bonded to each other so we will be rehoming them together They are both very chilled out and laid back cats who would love to share a sofa with you, snuggled up and snoozing the evenings away. They have become a firm favourite with staff and volunteers here at the centre they now need to find the loving home they so very much deserve. They are suitable to live with children aged 8 years and over and unknown if they can live with other cats. They are also used to living with dogs.
