## A little bit about Dotty & Princess...

A really lovely pair of cats who came to the centre as their previous owner could no longer keep them. They have settled in to centre really well have have been smashing with the staff. They are inquisitive, friendly and playful and they would make a family the most fabulous addition to the family. They spend most of their days chilling in their castles but look forward to playtime and will come running when they see the staff and volunteers approaching their cubicle. They love to play chase with the wand toys where they can burn off some of their energy. They are then happy to have a snack and settle down for a snooze. Dotty and Princess are bonded sisters so we will be homing them together. They are suitable to live with children aged 10 years and over, could possibly live with another cat and will need to be permanent house cats

### My personality...
