A little bit about Madam...

Madam is a sweet girl who came to the centre via an inspector after her needs were not getting met. She was really quite shy when she first arrived and quite overwhelmed. She has now settled in well and come out of her shell, instead of hiding away from you she now comes running for some attention. Madam likes to play with her toys but will mostly spend her time snoozing in her bed and waiting for you to give her some attention. Madam would prefer a quiet home away from any hustle and bustle, she would love to snuggle up on the sofa snoozing the nights away with you. Madam is suitable to live with children aged 12 years and over, could possibly live with another dog and will need to be a permanent house cat
