A little bit about Cricket...

Cricket is a sweet boy who came to the centre via the local stray dog service, this poor lad simply abandoned and left to fend for himself at such a young age. He is now safe and ready to find himself his forever home. Cricket is such a lovely, friendly and cheeky little dog with so much character, he is smart, entertaining and an all round fantastic natured dog. Cricket is still just a baby and so much still to learn and experience, he will need an adopter who is willing to guide him along his journey in to the big wide world. He will need adopters who are at home most of the time while he is still so young, he is sociable with other dogs and will make his new family the most wonderful family pet. Cricket is suitable to live with other dogs after a successful introduction at the centre and could live with children aged 6 years and over.
