## A little bit about Buddy...

Buddy is a lovely lad who came to the centre as his previous owner could not meet his needs and could no longer manage him. Buddy is a friendly, active and bright dog who has so much potential, he absolutely loves being out and about and makes the most of every walk. He enjoys sniffing and taking in all the countryside has to offer. Buddy can be a little strong on the lead but staff have been working on this and he so much better than when he first came to us. He can now walk really nicely and calm but can still get a bit excitable, he is still young so has plenty of time to keep learning new things. Buddy is super social with other dogs and walks well with them, if he is lucky enough to walk with another young playful dog he loves it and has a good play with them. Buddy is an active dog and will need adopters who lead an active lifestyle, he has such an enthusiasm for life and has so much left still to experience. Buddy will make an absolutely smashing addition to the family. Buddy is suitable to live with another dog after a successful meet and greet at the centre, he is suitable to live with children aged 10 years and over.
