A little bit about Rex...

Rex came to the centre via an inspector after his needs were not getting met, Rex is such a sweet boy who just loves being around people. Due to legal reasons Rex has been waiting quite a long time to find a home to call his own, he is such a friendly lad and loves to be around people. Unfortunately Rex is not comfortable around other animals so he is to be muzzled when out on a walk, Rex is muzzle trained so this does not bother him at all so please do not let this put you off. Rex loves going on his walks and meeting new people, he is an active boy so we are looking for active adopters who will keep him entertained and his mind stimulated. Rex is ready to start a new chapter in his life and is looking forward to a bright new future where he will be loved and cherished. Rex will need to be the only pet in the home.
