A little bit about Sully...

Sully is a lovely lad who came to the centre as his previous owners could no longer meet his needs. Sully is great dog, full of beans and has such an enthusiasm for life. He is really good natured and will make the most fantastic family pet, he will bring so much fun and entertainment to the home. Sully will benefit from some on going training, he is very willing to learn and actually really enjoys learning new things. Sully is an active dog, he loves to be out and about, he will need adopters who are active and will meet his needs both mentally and physically. He will someone at home most of the time while he is still so young and settles in to his new home. Sully is very sociable with other dogs and has made lots of friends here at the centre, he loves to run and play so can be a little over zealous for older or quiet dogs. Sully really is a fantastic dog who will make the family lucky enough to adopt him a really lovely pet. Sully is suitable to live with other dogs (they must match his playfulness) and children aged 10 years and over.

My personality...
