## A little bit about Jess...

Jess is a sweet girl who came to the centre via an inspector after her needs were not getting met. Jess is quite a quiet little girl who keeps herself away from the hustle and bustle of busy cattery life. She will always come for a fuss and loves spending time with you. Jess can be found most of the time just chilling in her cosy bed next to her radiator, she will come for some snuggles, a little play and a treat, she will then settle down for a nice nap. Jess would love a home where she can join her family on the sofa and settle down for a fuss and a sleep. Jess really is a lovely girl who will make someone a really lovely addition to the family. Jess will need to be the only cat in the home, she can live with children aged 10 years and over and will need to be a permanent house cat.
