A little bit about Rashi...

Rashi is a very sweet girl who came to the centre as her previous owner could no longer meet her needs. She is a sensitive cat who can be quite shy when meeting new people and adjusting to new situations. Once she settles and has built up a bond with you, she is a very affectionate little girl and enjoys a fuss and spending time with you. Rashi is a quiet cat by nature so will need a home with a quiet and chilled out lifestyle, she is not used to a busy home and would find it too overwhelming. Rashi would make a wonderful little addition to the family, she would love to snuggle up on the sofa with you in the evening and snooze in the comforts of her family. Rashi will need to be the only cat in an adult only home.

My personality...

I need to be the only cat

I'll probably spend more time inside

I need an adult only home

I love a cat nap
