A little bit about Roma...

Roma is a gorgeous girl who came to the centre as her previous owner could no longer keep her. Roma is a lovely little cat who can be a little shy when meeting new people but she soon comes round. Once she feels settled and knows you she is ever such an affectionate cat, she loves attention and loves playing with you with her toys. She is then happy to have a snack and curl up for a little snooze. Roma is used to having access to outside via a cat flap so her new adopters will need to live in a safe area away from busy roads as once she has settled in she will need to have safe access to outside. Roma is used to living with other cats so could possibly live with another again. She could live with children aged 13 years and over providing they understand she will need time to settle in. Roma is fantastic cat who will make a wonderful addition to the family.
