A little bit about Pecan...

Pecan is a lovely lad who came to the centre as his previous owner could no longer keep. Pecan is a very nervous boy who is really quite shy around new people and adjusting to new situations. Once he has settled, knows and trusts his family he is a sweet boy. Pecan will need a patient and experienced adopter who will give him the time and space he needs to grow in confidence and learn to trust his new family. Pecan spends most of his day hiding in his bed, but watching the staff go about their daily business. Adopters will need to have a secure spare room they can dedicate to Pecan while he adjusts to his life. Pecan just needs an adopter who understands him and gives him that chance of a happy loving home. Pecan may not be a touchy feely type of cat but he does like to be around you and likes to curl up on the sofa next to you. Pecan will need an adult only home where he is the only pet.
