A little bit about Ginny...

Ginny is a very sweet girl who came to the centre via The Stray Dog Service. Poor Ginny was in terrible condition, her coat was completely matted. It was so bad that Ginny had to be completely shaved by a professional groomer, Ginny is now looking so much better and ready to find herself a loving new home. Ginny is a very friendly little dog, she walks well on the lead and really enjoys being out and about and exploring the countryside. She is an active little girl who enjoys her walks, mingling and socialising, she would love a family who will take her out on exciting adventures, making up for missing out on so much. Ginny is great with other dogs so could live with another one, she is suitable to live with children 10 years and over. Adopters will need to be at home most of the time while she settles in. Ginny loves to sit on your knee and would love to share a sofa with you and snuggle up while you relax. She will make a super addition to the family.

My personality...

I need training how to sit nicely (and then I can master the rest)

I need teaching that it's ok to be alone

I could live with children of secondary school age

I'm small but full of fun

I get on well with many other dogs

I love fuss and attention
