A little bit about Chip...

Chip is a lovely little dog who came to the centre as his previous owner could no longer keep him due to him the other dog being jealous of each other in the home. Chip was ever so shy when he first came to the centre but now he has settled and got to know everyone he is a super sweet, happy go lucky little fella. Chip is an active dog who just loves being out on his walks and enjoying the countryside, he will need adopters who are quite active and will take him on interesting walks and adventures. Chip is a busy little bee and likes to be here, there and everywhere, he is then happy to sit on your knee for snuggles. He would love to sit on the sofa with you and watch tv, keeping you company. He will make the most fantastic addition to the family. Chip will need to be the only pet, live with children aged 13 years and over and will need someone who is at home most of the time while he settles in.
