A little bit about Cookie...

Cookie is an absolute sweet heart who came to the centre as her previous owner could no longer take care of her, she is ever so friendly and really loves to be fussed. Cookie has a very sad tale to tell, you see Cookie is suffering from a severe case of pancreatitis, this was diagnosed after lots of tests from the vets. Unfortunately we can not cure Cookie and future is pretty much guarded in that there is no way of telling how slow or quick the condition will deteriorate. Cookie is on a veterinary controlled diet and medication to help with the symptoms for which she will need to stay on. At present Cookie is a very happy cat and in no way suffering, we really would love to see this sweet girl spending her remaining time in a loving new home. We understand this is a big ask for someone to take on but Cookie deserves her chance of a loving home. Cookie will need to be homed in the York area as she will be under our Assisted Adoption Scheme. Cookie is a HOUSECAT.

My personality...

I love company and would like you to be around a good part of the day
