A little bit about Penelope...

Penelope is a very sweet girl who came to the centre via a local vet as an unclaimed stray. When she was first admitted to the vets, she was in quite a run down state. The vets did a really good job taking care of all her veterinary needs before she came to us for rehoming. She is now fit and healthy and ready to find her forever home.

Penelope is a very affectionate, friendly and confident little cat who will make the most wonderful family pet, as soon as she hears or sees you coming to her cubicle she instantly comes for a fuss and some attention. She just loves being with you and lapping up as much attention as possible. Penelope is suitable to live with children aged 8 years and over, it is unknown if she has lived with other cats before and she will need to be a permanent house cat.
