A little bit about Bonnie...

Bonnie is a lovely girl who came to the centre for re homing via The Stray Dog Service. Bonnie really is a very friendly girl who has just been fantastic with us here, from day one she has been happy to see us all and just loves being around people. Bonnie is good out on a walk, she enjoys every minute being out and about taking everything in and enjoying the scenery. Due to Bonnie being a stray we unfortunately know nothing of her past, she is very well grounded and nothing much really fazes her. She will need someone at home who will not leave her long periods, she does not like being left here so she will probably struggle with being left for long periods in a home also, but this could be worked on. Bonnie despite her size likes to be a lap dog, she just loves to lean in and lie on you getting cuddles, she would love to share a sofa with you and keep you company when watching TV. Bonnie is genuinely one of those just lovely girls who will make the most wonderful addition to the family. Bonnie is sociable with other dogs and could live with children aged 13 years and over.
