## A little bit about Dotty...

Dotty is a really sweet girl who came to the centre via an inspector after being found in appalling conditions, now that legal proceedings have been finalised Dotty can now join the search for her forever home. Dotty has been an absolute joy to take care of and have here at the kennels, patiently waiting for the court case to be settled. She is a happy go lucky kind of girl who likes to keep life simple and take everything in her stride, she is very friendly and enjoys meeting people and saying hello and then going on her merry way. Dotty loves to be out and about, investigating everything the great Yorkshire countryside has to offer, she walks well on the lead and makes the most of every minute. Dotty is an intelligent girl and loves doing all the puzzle kind of games and scent work, she likes to keep both mentally and physically stimulated. Dotty will make the most fabulous addition to the family and bring them lots of love and joy. Dotty is suitable to live with another dog after a successful introduction at the centre, she could live with children aged 8 years and over and will need someone at home most of the time.
