A little bit about Milo...

Milo is a sweet boy who came to the centre as sadly his previous owner could no longer keep him. He is a lovely friendly boy who in true typical spaniel style likes to live life to the max. He loves being out and about and making the most of every single moment, he can be a little strong on the lead to begin with but soon calms down and walks nicely once he is over his initial excitement. Milo is an intelligent dog and knows lots of commands but unfortunately his recall is something that needs to be worked on. He is used to having his freedom on a longline or an enclosed dog park which he thoroughly enjoys. Milo is great in the house, he is fully housetrained and can be left for short periods with no bother. He loves to sit on the sofa with you and get cuddles, he loves to around his people and playing toy games with you. He likes going on adventures and travelling about in the car, Milo is looking for a home where he can share adventures and create wonderful memories. He is a very loyal dog and will make someone the best friend they could ever wish for. Milo is suitable to live with children aged 8 years and over and is sociable with dogs out on a walk.
