A little bit about Ollie...

Ollie is a sweet but shy boy who came to the centre via an inspector after his needs were not getting met. He has settled in to his new routine really well and is now ready to find his forever home. Ollie is a very gentle and easy going lad who is growing in confidence day by day and we are seeing more of his wonderful character as each day passes. Ollie is a gentle soul who prefers to observe the world quietly while he figures things out. While he is a bit shy at first, we have discovered that he has a massive heart just waiting for the right person. Once he knows he is safe, he will show his true, sweet personality, he likes quiet afternoon naps, soft squeaky toys, and human friends who let him approach them at his own pace. he is very gentle and completely dedicated to his trusted people. If you have a little patience and a lot of love to give, Ollie will reward you with a lifetime of fierce loyalty, he is ready to make wonderful memories and share exciting adventures together. Ollie walks well on the lead and is quite sociable with dogs on a walk, although he tends to keep himself to himself. He is suitable to live with children aged 16 years and over.
