A little bit about Frida...

Frida is a sweet girl who came to the centre as her previous owners could sadly no longer keep her. She is a sweet girl who can be a little on the shy side when meeting new people but is quick to realise everything is just fine. Frida loves her home comforts and is finding kennel life a little overwhelming so we would love to see her happily settled with a new family. Frida loves to be out and about on her walks, she would love a home here her family will take her on nice interesting walks and exciting adventures. Frida is a big girl and can be quite on the lead so we are looking for adopters who have experience with large breeds of dog. Frida is a very intelligent girl and has learnt lots of things in her previous home, she is fully house trained and can be left on her own for short periods. Frida is a fun loving girl who in her previous owners words thrives being part of a family and is up for plenty of adventures. Frida loves her snuggles and loves to be the centre of the family, she is loving, affectionate and very loyal. Frida will make her new family a wonderful best friend. Frida is best suited to being the only dog in the home and could live with children aged 14 years and over. Potential adopters will need to do a couple of meets with Frida before actually taking her home.
