A little bit about Penny & Poppy...

PLEASE NOTE - PENNY & POPPY ARE LOCATED AT THE BRIDLINGTON RSPCA. Meet Penny & Poppy These two 1 year old sisters are sweet girls now hoping to find their forever family They are such gentle girls, always reaching up to us or enjoying cuddles and lots of fuss, they come and greet us instantly and adore human company, they truly are amazing girls and will make your home complete. Both have their own adorable personalities, but both show the same amount of affection as the other, and have an incredible bond with each other, which is so lovely to see They could live with calm children of any age, but would ideally prefer a home with no other pets, however, given the correct & slow introductions, a home with dogs may be considered. Medical Information; Microchipped Vaccinated Fiv/felv tested (negative) Up to date with flea and wormer Full veterinary health check Neutered Could you be their forever family??
