A little bit about Felicity...

FELICITY IS ON FOSTER AT THE YORK BRANCH. Felicity is a really sweet little cat who was abandoned on our front door in the middle of the night, as if that was not terrible enough we immediately noticed that she was actually pregnant. As our cattery is closed down due to the rebuild a very lovely volunteer agreed to foster her so she could have her kittens in the comfort of a home. Well Felicity gave birth to 5 healthy and happy kittens who are now old enough to fly the nest. Felicity has been the most amazing mother and it is now time for her to find herself her forever home, she is an extremely friendly and happy cat who will make the most wonderful family pet. Felicity loves her snoozes and is now enjoying time away from her babies, she loves to play with her toys and then snuggle up for a nap. Felicity's foster mum has said what a wonderful cat she is and that she will make someone the most fantastic family pet. Felicity could possibly live with another cat after slow introductions and could live with children aged 6 years and over.

My personality...

I may be able to live with another cat

I'll probably spend more time inside

I could live with children of primary school age

I love company and would like you to be around a good part of the day
