A little bit about Sandy...

Sandy is a really sweet natured girl who came to the centre via our inspectors after she was locked in a room and left on her own with another dog for two days straight with no water in sight. Sandy is exceptionally friendly with everyone she meets and has settled well with us. Sandy loves being out and about and meeting people, she will need some training as she can get a little over excited in her enthusiasm to say hello. Sandy is a very active girl who will need equally active adopters who will take her on lots of exciting walks and adventures, she loves to run around playing with balls and toys keeping herself entertained. Sandy is a very happy go lucky kind of girl who loves to live life to the max so if you are looking for wild times and crazy adventures then get that application filled out for Sandy, you really will be adopting a very loyal and loving new best friend who will love you with all her heart. Sandy is suitable to live with children aged 12 years and over and would need to be the only dog in the home.
