A little bit about Ben...

Ben is a sweet boy who came to the centre via an inspector after his previous owner could no longer keep him. Are you looking for a pocket-sized adventurer with a heart of gold? Ben is a lively 4 year-old Patterdale who is ready to find a loving forever family. Ben has the classic, charming terrier spirit, curious, playful, and full of character! Whether strutting proudly on a morning walk, sniffing out interesting new scents, or curling up beside you on the sofa for a well-earned snooze, this little dog brings immense joy to everyday life. Ben is an active boy who would suit an active family looking for an outgoing and friendly companion to join them on their adventures. He would love someone to be around most of the time until he learns that it is ok to be left on his own. Although Ben can be sociable with most other dogs on a controlled walk, he will be best suited to being the only dog in the home. He can live with sensible children aged 8 years and over, he is unfortunately not suitable to live with cats or small animals.
