A little bit about Pip Squeak...

Pip came to the centre after being abandoned in a carrier down a road, thankfully she was found and brought to safety. Pip is a lovely girl who is full of character, she is confident, friendly and extremely playful. Why on earth someone would simply dump this gorgeous kitten is beyond comprehension. Pip will need a home where her adopters are at home most of the time while she is still so young, she is great with other cats and could live with a cat friendly dog. Pip really is the sweetest girl who will make someone an amazing and wonderful addition to the family. Pip is suitable to live with children aged 5 years and over.
