A little bit about Mufasa...

We are so happy to introduce to you Mufasa, a kind, gentle soul with a heart of gold. Mufasa has been in RSPCA care for a long time now due to an ongoing investigation. Court proceedings have now concluded and Mufasa can now find his very own forever home. Mufasa is a distinguished senior gentleman looking for a quiet place to call his forever home. We have found him to be the sweetest, most polite boy you will ever meet. He may have a little grey on his muzzle and a slower pace in his step, but his heart is as big as ever. Due to his background Mufasa has missed out on so much but is now ready to make up for lost time. He is a happy lad who wears his heart on his sleeve, if you love him, he will love you double back. He may not have lots of years left to give you, but he promises to give you every single ounce of the love he has been saving up. He is as loyal as they come and will be your best friend and loyal companion if you give him that chance. Mufasa has spent some time in foster with a member of staff so we have been able to get some information about him in a home environment. Mufasa will need adopters who are at home with him most of the time, he can become distressed sometimes when he is on his own, so having someone with him most of the time is unfortunately non negotiable. We can not change Mufasa's past but we can help rewrite his future, if you have a big German Shepherd hole in your heart then look no further, Mufasa is ready, willing and waiting to fill that hole. Mufasa is suitable to live with another dog of similar size after a successful meet at the centre and could live with children aged 13 years and over. Mufasa is on pain relief for his joints which will be ongoing.
