A little bit about Roulette...

Roulette is a lovely lad who came to us as his racing days are over. Roulette can now begin his search for a family who have a greyhound shaped hole in their heart. This wonderful lad has sadly spent all his life in racing kennels and has missed out on so much in life, he is now ready to make up for lost time and live life as a loved family pet. Because he has lived in racing kennels his whole life, standard home features like stairs, shiny floors and television screens will be brand new to him. He will need a patient family to guide him as he decompresses, learns your routine, and realizes he is finally home. Greyhounds adapt remarkably well and quickly as they just love the comforts a home provides. Roulette walks well on the lead but also enjoys having a zoom around our enclosed compound, he is then ready for a snack and a snooze. Roulette has been sociable around many other dogs here at the centre especially other sighthounds and dogs of similar size. Roulette really is great dog who is ready to go on adventures and make memories with his new family. Roulette is suitable to live with other medium to large dogs, unfortunately not suitable to live with small animals or cats and can live with children aged 10 years and over.
