A little bit about Tessa...

Are you looking for a loyal little companion who loves cuddles, playtime and cosy evenings on the sofa? Then Tessa could be the perfect match for you. She is a quiet, well-behaved and affectionate girl who enjoys the simple things in life. Tessa loves playing with her favourite ball and toys, but her favourite place to be is snuggled up on the sofa beside her special person, soaking up all the love and cuddles she deserves. When meeting new people, Tessa can be a little shy at first, but once she feels comfortable, she soon comes around and shows her sweet personality. She would thrive in a calm, peaceful home where she can settle in at her own pace and feel safe and secure. She can be around other dogs, but she generally prefers to do her own thing and would be happiest as the only pet in the home, where she can enjoy all the attention for herself. She will also need an adult only home. This sweet girl has so much love to give and is simply looking for a safe, loving home where she can relax, feel secure and be someone's special companion. Could you be the one to give this lovely girl the forever home she deserves?
