A little bit about Fiona...

Fiona came into our care after being abandoned outside the RSPCA one cold night, along with her two kittens. Despite her own ordeal, she was a wonderful mum, taking such loving care of her babies and making sure they had everything they needed. Now, with her kittens cared for, it's Fiona's turn to be someone's special girl. She deserves a family of her own who will cherish her, shower her with love and help her put her difficult start behind her. Fiona is a very friendly girl who absolutely adores cuddles. She would love nothing more than to curl up on the sofa with her new family, enjoying all the fuss, affection and comfort she deserves. All Fiona really needs is someone to restore her faith in humans and show her that she is safe, loved and never going to be abandoned again. In return, you will gain a loving and loyal companion who will be so happy to share her life with you. Fiona can live with older primary school-aged children. Could you be the special person who gives Fiona the happy ending she deserves?
