A little bit about Foxy...

Foxy is a sweet girl who came to the centre via an inspector after finding her in appalling condition. Foxy was severely emaciated on arrival at the centre, she has made a fantastic recovery and is now fit and healthy and ready to start her new life with adopters who will love and cherish her. During her stay with us Foxy has come out of her shell and she has become a cheeky, playful and very loving girl, she has become a firm favourite as despite her terrible past she has remained such a loving dog with a heart of gold. Foxy would need to be the only pet in the home and children aged 10 years and over.
