A little bit about Alfie...

Alfie came to the centre via an inspector after his needs were not getting met, poor lad was so emaciated and had some terrible lumps that needed removing. Alfie has become a firm favorite here at the centre due to his fantastic, friendly and caring nature, he really is an absolute diamond. Alfie walks well on the lead despite his size, is pretty sociable around other dogs. Alfie has always been an extra special sweet boy who loves everyone he meets, he can be a little head shy sometimes but once he knows you he is just the sweetest. Alfie is such a happy boy who despite the neglect he has suffered his tail never stops wagging. Please consider giving this gentle giant his happy ever after.
