A little bit about Lola...

Lola came to the centre as her previous owner could no longer take care of her, she is a sweet girl who is very friendly with people and is always up for cuddles and attention. Lola unfortunately was not socialized around other dogs when she was young so it is understandable that she struggles when there are other dogs around. Lola has seen our behaviorist and has been given a training plan to help her cope with her insecurities. Adopters will be expected to carry on with this, Lola enjoys learning as she loves the bond she gets with her people. Lola is trained to wear a muzzle when out on a walk but please do not let this put you off. Lola is real peoples dog and will always be first in line for a cuddle and will quite happily sit on your knee and lap up any attention she can get. We are looking for adopters who will not leave her on her own for long periods, she will need to be the only pet home and could live with children aged 14 years and over.

My personality...

I need training how to sit nicely (and then I can master the rest)

I need teaching that it's ok to be alone

I'd prefer not to live with a cat

I'd prefer an adult only household

I'm always on the go

I'd prefer to be the only dog in a home
