## A little bit about Clara...

Clara is a really sweet girl who came to us due to her owners allergies, she will make someone a great pet as she loves to be around you and interact with you. Clara misses being part of a loving home so we would love to see her happy settled in a new one. Clara does not like being brushed very much so new adopters will need to bare this mind and be patient with her and willing to do some training with her. She was quite matted when she came in and she has now been dematted so new adopters will need to keep on top her coat. Clara loves to play and chase toys so adopters who will spend time playing with her is a must, she is confident, friendly but a little bit cheeky too. Clara is best suited to a home where she is the only cat and children aged 10 years and over.

### My personality...

I'd prefer to be the only cat in a home

I'll probably spend more time inside

I could live with children of secondary school age

I'm full of energy and love to play
