A little bit about Rex...

Rex is a lovely, friendly and lively lad who is here looking for a second chance of a forever home. Rex is a very active boy who enjoys long, exciting and interesting walks, we are looking for an equally active family who will open their heart to this fabulous chap. He would benefit from some further training which he would thoroughly enjoy as he loves learning new things and will accept any challenges life throws at him. Rex does suffer with a few allergies but please do not let this put you off, he is fed on a fish based grain free diet which he has flourished on. He will be best suited as the only pet in the home and could live with teenage children and over.

My personality...

I know how to sit (and lots of other commands too!)

I can be left alone for short periods

I'd prefer not to live with a cat

I could live with children of secondary school age

I'm a gentle giant (big and strong)

I'd prefer to be the only dog in a home
