## A little bit about Jenny & Jamie...

Jenny came to the centre after being found giving birth in a flower bed, unfortunately Jenny had a very traumatic birth and sadly lost all but one kitten. Jamie is a very healthy boy and she has done the most fantastic job rearing him, they are very bonded to each other so we are rehoming them together. Jenny absolutely dotes on little Jamie, they are the sweetest little cats. Jenny is a quiet sweet natured girl who loves her home comforts, she loves snoozing away in her warm bed then getting up for a snack and a play. Jamie is a little shy ( mummy's boy ) but very cheeky and inquisitive. They will make a great little pair of cats to welcome into the family. They are suitable to live with children aged 10 years and over.
