A little bit about Pickles & Barette...

Pickles and Barette came to the centre via an inspector after their needs were not getting met, they are sweet girls who are devoted to each other. Pickles is quite a confident cat and Barette looks to her for the confidence she needs to help her overcome her insecurities. Barette has come on so well that we feel in a home she will gain even more confidence. Pickles and Barette will need to be homed together as they are so bonded, they are looking for patient adopters who will help Barette on her journey to becoming a more confident girl. They will make such lovely pets. They are suitable to live with other cats and children aged 13 years and over.
