## A little bit about Joules...

Joules came to the centre via one of our inspectors after her previous owners could no longer take care of her anymore, Joules is a really sweet girl once she knows you. Joules is extremely nervous and unsure when in new situations and meeting new people. Joules will need patient and experienced adopters who will give her the time she needs to settle and get to know you. Joules is a really gentle girl who once settled and trusts you will be the most loyal and faithful companion, she will be your best friend. Joules now thoroughly enjoys being groomed and pampered and will literally sit all day while you brush her and make her look pretty. Joules has come on so far since arriving at the centre that we now feel she is ready to start a new chapter in her life and find her forever home. Joules will need an adult only home, she could possible live with an older male dog after a successful meeting at the centre. PLEASE NOTE - WE CAN ONLY RE HOME TO ADOPTERS WHO LIVE IN THE SAME TIER AS YORK.
