A little bit about Kez...

Kez came to the centre via an inspector after his needs were not getting met, we know little of his past life but whatever he has been through has left him very fearful. He will need patient adopters who will give him the time and love he needs to overcome his insecurities and anxieties. After all Kez has been through this big beautiful boy really does deserve to be in a loving new home where he can begin to enjoy life and learn what family life feels like. Kez will be suitable to live with another large breed, quiet dog and children aged 16 years and over.

My personality...

I walk nicely on a lead

I need teaching that it's ok to be alone

I'd prefer not to live with a cat

I'd prefer an adult only household

I'm quiet but full of love

I may be able to live with another dog
