A little bit about Charlie & Kacie...

Charlie and Kacie are brother and sister who came to us as their previous owner could sadly no longer take care of them, they are extremely bonded to each other and are pretty much inseparable so we will be looking for adopters who will adopt them together, they come as a pair. They are such sweet natured dogs who just love fuss and attention, true to husky form they can be very vocal and love to show off their singing ability. They are quite strong on the lead when going for walks so potential adopters will need to work on that a little bit. We are looking for adopters who have previous husky experience. Charlie will need muzzling when visiting the vets and when he is being groomed as he can be a little reactive which could be down to past bad experiences, this is no problem as he accepts the muzzle really well. They are housetrained and can be left for short periods on their own, they are best suited to an adult only home where they are the only pets. We will be collecting Applications for Charlie & Kacie and selecting the most suitable home for them. PLEASE NOTE - WE CAN ONLY RE HOME TO ADOPTERS WHO LIVE IN THE SAME TIER AS YORK.
