## A little bit about Rocky...

Rocky came to the centre as his previous owner could no longer meet his needs, he is a young, big and energetic dog who will need experienced owners. Rocky has not been socialized correctly when he was younger and has grown up very fearful when meeting new people and adjusting to new situations. Although Rocky has come on so well whilst being at the centre he is still very nervous and scared of sudden noises and the outside world. Rocky will need adopters who have the time and patience to help Rocky overcome his insecurities and enjoy life, once he trusts you he really is the most sweet boy and will make a very loyal and faithful companion. Potential adopters will need to have had experience with owning large breed dogs and understand their needs both physically and mentally. Adopters will need to have the time to do many meet and greets with Rocky until he is comfortable around you and has learnt to trust you. Rocky will need an adult only home where there are no other pets. PLEASE NOTE - WE CAN ONLY RE HOME TO ADOPTERS WHO LIVE IN THE SAME TIER AS YORK.
