## A little bit about Tilly...

Tilly is a sweet girl who came to the centre as her previous owner could no longer keep her. She is really struggling with kennel life so we would love to see her happily settled in a new loving home. Tilly is very nervous of meeting new people and adjusting to new surroundings so we are looking for a quiet, experienced owner who will give her the time needed to settle. She absolutely adores other dogs and her little face lights up when she sees them, her confidence increases when she is around other dogs so we are looking for a home where there is an existing dog to show her the ropes. Children make Tilly nervous we are looking for a home where any children are aged 14 years and over
