A little bit about Duke...

Duke came to the centre as his previous owner could no longer take care of him, he lived with Max a black Labrador who is here at the centre so if you are looking for two dogs perhaps you could see Max as well. Duke is a friendly chap who will make the most fantastic family pet, he is suitable to live with other dogs and children aged 12 years and over. He is a little shy when meeting men for the first time but once he knows you he is the friendliest boy who loves his cuddles. Duke really does deserve to be in a loving new home.

My personality...

I know how to sit (and lots of other commands too!)

I'd prefer not to live with a cat

I could live with children of secondary school age

I'm a gentle giant (big and strong)
