## A little bit about Heidi...

Heidi is a very sweet and gentle natured girl who came to us via an inspector after her needs were not getting met. She was ever so thin when she first arrived with us but she now putting on weight and ready to start her new life. Heidi is sociable around other dogs so can live with another dog after a successful introduction at the centre. She can be a little shy when she first meets new people so we are looking for a quiet home for Heidi. She could live with children aged 13 years and over

### My personality...

I walk nicely on a lead

I can be left alone for short periods

I'd prefer not to live with a cat

I could live with children of secondary school age

I'm quiet but full of love

I may be able to live with another dog
