A little bit about Odyssey...

Odyssey came to the centre via an inspector after his needs were not getting met, he is a sweet natured boy who is friendly and likes getting attention. He does not like being picked up but is happy to come for a fuss and attention and will take veggies from you. Odyssey will need to be re homed to adopters who have an existing spayed female rabbit, adopters will need to have the time, space and accommodation to do the bonding of the two rabbits. We are looking for accommodation where the hutch is a minimum of 6ft with an attached run of a minimum 8ft. Any other accommodation will happily be discussed by staff at the centre. PLEASE NOTE, DUE TO THE COVID19 RESTRICTIONS WE ARE ONLY ABLE RE HOME TO ADOPTERS WHO LIVE IN THE YORK AREA.

My personality...

I may be able to live with a female rabbit

I'd be happy living indoors if you give me lots to do

I could live with children of secondary school age

I like treat time and being hand-fed
