## A little bit about Wizard...

Wizard came to the centre via an inspector after his needs were not getting met, he is a sweet boy but can be quite territorial with people so we are looking for experienced rabbit owners who will help him overcome his insecurities. If he is feeling that way out he has been known to give a little nip if pushed. He is a friendly rabbit who does like attention and will come to you for a fuss, he also like treat time when he enjoys nibbling on his veggies. Wizard will need to be re homed where there is an existing spayed female rabbit, Wizard will need to be re homed to adopters who have an existing spayed female rabbit, adopters will need to have the time, space and accommodation to do the bonding of the two rabbits. We are looking for accommodation where the hutch is a minimum of 6ft with an attached run of a minimum 8ft. Any other accommodation will happily be discussed by staff at the centre. PLEASE NOTE, DUE TO THE COVID19 RESTRICTIONS WE ARE ONLY ABLE RE HOME TO ADOPTERS WHO LIVE IN THE YORK AREA.
