A little bit about Milton...

Milton came to the centre via an inspector after being found on the streets in terrible condition, his beautiful coat was completely matted, he had open wounds on his head and he was full of worms and fleas. Milton has now received all the veterinary treatment he needed and is now ready to start a new life with a family who will love and cherish him for the rest of his life. Milton is a very friendly boy who is enjoying his new found love and attention, he loves being groomed and loves nothing more than lounging in his comfy bed next to his heater. If you are looking for a nice chilled out and friendly cat then Milton is the cat for you. Milton is FIV positive so will need to be the only cat unless there is an existing FIV positive cat, he will also need to be a house cat. He is suitable to live with children aged 10 years and over. PLEASE NOTE, DUE TO THE COVID RESTRICTIONS WE ARE ONLY ABLE RE HOME TO ADOPTERS WHO LIVE IN THE YORK AND SURROUNDING AREA.
