A little bit about Tommy...

Tommy is a sweet but very nervous boy, he originally came to the centre as an injured stray. His physical scars healed but he was unfortunately left very traumatized by his past. We are looking for a nice quiet, understanding and patient adopter who will give him the love, time and patience he needs to settle in. Tommy was sadly recently returned to the centre due to the owners bad health so he is very sad at the moment and missing his home comforts. Once Tommy has settled and got to know you he is very affectionate and very much enjoys some fuss and cuddles, we would love to see Tommy in a new home asap. He will need an adult only and pet free home.

My personality...

I'd prefer to be the only cat in a home

I need to be kept indoors

I'd prefer an adult only household

I'm a shy guy; I'll need time to settle
